A: Did you know that the first fundraiser collection day was this morning in 1st period?

B: No, I forgot about it! I was wondering what that was. What is it about again and when is the next collection date?

A: No problem. For the Fundraiser we are trying to raise money for athletics, student activities and ASB in general. In fact, for the fundraiser, if your class gets to a certain percentage of participation, you could get prizes for you and your cougar time class. The next collection date is Thursday, October 7th.

B: Wow that's so cool! What are the percentages?

A: Great question. Classes that get 75 percent participation of the students in the class get a prize! And classes that have 95 percent or more participation get an even higher prize! Don't forget to participate so your grade can get a celebration too!

B: That sounds like so much fun! But does the amount of money matter?

A: Nope! All these prizes are based on percentage of participation and not money! In fact, if your Class has 95% participation between both turn in dates, then your class gets a donut party. Remember the last collection is Thursday October 7th.

B: Cool, I'll make sure I remember to participate!
