Covid Safety Announcement

Students, due to the increased transmission of Covid-19, we are asking that you be extra conscientious. Please be sure that you are wearing your mask at all times unless you are eating or drinking. When you go to the restroom, do your business, wash your hands for at least 20 seconds with soap and then leave immediately.

In the cafeteria, we have some new expectations. 1) Stay seated in your group of 4 as much as possible. This means we will ask you to sit back down in your original seat if you are congregating or walking around. You may stand up to throw away your garbage or use the bathroom, but otherwise we ask that you stay at one table. 2) Sit on the green tape markers that you will now see on the seats 3) Take note of your table number and the people that sit with you each day 4) If you finish eating and do not want to remain in your seat, you must go outside and stay there until lunch is dismissed 5) Even when you are outside, we recommend that you keep your mask on as much as possible when around

others. 6) Take care of your needs during lunch. This means you should drink water, use the bathroom and eat a healthy lunch in the cafeteria during lunch time.

Thank you very much for your understanding and the efforts you are taking to keep yourself and others in school and healthy!
