

# Kamiakin Middle School

## Supply List

### 2019-2020

KaMS is a technology focused school. In the first week of school each student will be given a planner and assigned a district owned computer. Students are expected to carry the computer to and from school in their backpacks daily. We know that computers are heavy, so we work hard to have students "lighten the load" in their backpack as much as possible.

The following are supplies that every student will need beginning the first day of school at Kamiakin Middle School. Once school starts, teachers will provide a list of any specific items for their particular classroom. Students keep all of their supplies in their backpacks. We do **NOT** use lockers. Please note that students will give some supplies to teachers to keep in the class for all to share.

**Each day all students must be prepared with the following supplies:**

- **Pencils and Pens to keep in backpack**
- **Small Headphones or ear buds to use with Computer (keep in backpack)**

**At the start of the year,  
please give the following to your 1<sup>st</sup> period teacher:**

- ✓ 2/Two - 100 page composition books (NO spiral notebooks)
- ✓ Colored Pencils
- ✓ 1 box Crayola Markers (thick or thin)
- ✓ Highlighters (pkg. of mixed colors is great)
- ✓ Kleenex - 2 large boxes
- ✓ Wipes (Clorox or Lysol)
- ✓ 6<sup>th</sup> Grade only - 1 roll of duct tape (patterns & colors are welcome)  
Duct tape will be used the first day of school

**It is going to be a fantastic year!  
Welcome to the best Middle School in the Universe!**
